**Subject:** Sonja's analytical notes

Hi Jim, I have a request for the analytical notes of two samples that Sonja did back here in 2003. If you can bring down any of the data that she has on these when you come down to Boston again I would appreciate it. The numbers are [REDACTED] and [REDACTED] from Brockton. They were analyzed 8/26/2003 by Sonja, and the GC/MS was done by Sandra Lipchus. I have the cards and the receipt but need the powder sheets and MS control sheet if available. Thanks Chuck S.
